Landscape Racks

PTS9612 shown with LS529612-OPREAR

Parkhurst Landscape Racks help you get your landscaping jobs done faster. They make hauling landscape materials, shrubs, trees, gravel or grass clippings trouble free. The Landscape Rack bodies are versatile too! The racks can be easily removed, allowing use of the flatbed for many other applications. Call your local distributor and go check out the features of the Landscape Racks. Put one on your truck today!
